S I R:

Applicant herewith requests that a corrected Filing Receipt be issued setting forth the correct filing date, number of claims and foreign priorities. In the Filing Receipt as mailed to the undersigned, the Patent and Trademark Office appears to have incorrectly indicated the filing date as "May 3, 2000" instead of the correct --May 30, 2000--; the number of independent claims is indicated with "2" instead of the correct number --3--, the second priority application has

been indicated as "198 88 145.6" instead of the correct application number --198 08 145.6--, and the provisional application No. 60/076,472, filed March 2, 1998, for which benefit under Title 35 U.S.C. § 119(e) is claimed, has been omitted entirely from the Filing Receipt.

Attached is a copy of the filing receipt showing the requested corrections. Issuance of a corrected filing receipt is requested.

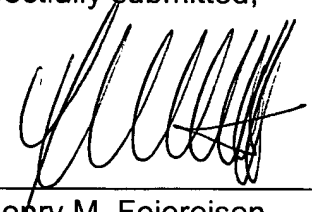

Reference to the application papers will clearly show the correct filing date of May 30, 2000, the correct number of 3 independent claims, the correct second foreign application no. 198 08 145.6 and priority of the provisional application no. 60/076,472

Since these errors for which correction is sought were caused by the Patent and Trademark Office, no fee is due (35 U.S.C. 254).

The Commissioner is hereby authorized to charge fees which may be required, or credit any overpayment to Deposit Account No.: 06-0502.

Respectfully submitted,

By: _____
